

Community Funding available from EHDC

East Hampshire District Council currently have three different grant schemes available to support projects and organisations that benefit the communities of East Hampshire. Up to £5,000 is available for projects and below are details of the different grant schemes.

1. Community Project Fund

- Up to £1,000
- Applications for £500 to £1,000 are decided by Community Forum, these meetings take place 4 times per year (January, April, July, October)
- Applications for up to £500 can be awarded by delegated authority which is a much quicker process as it is not required to go to committee.

2. Cabinet Approved Community Grant

- £1,000-£5,000
- Funding must be spent within 6 months
- Applications are decided by EHDC Cabinet, who meet approximately every 2 months

3. Councillor Devolved Budgets

- £250 - £1,000
- Funding must be spent within 6 months
- In September 2013 each District Councillor was given a personal budget of £3,000 to spend on community projects that will benefit their ward
- You must contact the relevant local Councillor to seek their approval before submitting an application form, their decision is final.
- You can apply to more than one Councillor if the project will benefit more than one ward

(Steep and Stroud newsletter readers will wish to know that £500 has recently been granted towards the cost of the Steep and Stroud Newsletter)
