10/153 FORESTRY COMMISSION GRANT

The Chairman said that she had been made aware of a grant available from the Forestry Commission to pay for consultancy work to be carried out on Steep Common by the Tree Warden, of £1,000. It would, however, be necessary for the Parish Council to fund the work up-front and then to claim the money back. This was discussed and Councillors were all in agreement with this proposal.

10/154 COUNTY COUNCILLOR COMMENT – Vaughan Clarke apologised for missing the Parish Council Meeting held in September and explained that Steep Meetings clashed with Greatham Parish Council and that he had to alternate the two!

He reported on the following:

- The NHS has recently published its annual Health Profile for East Hampshire. Out of the 32 indicators, we are only below the UK average in 2, namely - the incidence of malignant melanoma, where our rate is 20 adults per 100,000 instead of 12.5 nationally, and road injuries and deaths where we have 57.1 per 100,000 instead of 51.3 nationally.
- Sheet Village are in the process of applying to separate from Petersfield Town Council and become a Parish Council in their own right. The proposal is now being considered by EHDC.

10/155 FINANCE:

The following payments were agreed – Ray Street and Mythic Beasts, website costs. It was agreed that the Clerk should investigate setting up a standing order for the monthly hosting cost to Mythic Beasts. The Clerk also explained that Mythic Beasts had been in contact with regard to the original cheque in the sum of £105.75 paid in September, which they said had arrived damaged and subsequently been mislaid by their bank – they requested that this be reissued. It was agreed that the Clerk should follow this up with the Co-operative Bank.

10/156 DATE OF NEXT MEETING – Monday, 1st November 2010 at 7.30 in the Village Hall.

The Meeting closed at 8.15 p.m.
